

Mentoring Discussion Guide Family and Friends

You may use the following questions as *starting point* for your discussion. The reflection section below is available if you would like to make any notes. However, you do NOT need to record the answers.

- How has your family helped shape your faith?
- How much is God discussed in every day conversation around your home?
- What types of activities does your family do to support on another's faith? (For example: family devotions, prayers)
- Does your family have any unique traditions?
- If your family could start a new faith activity or tradition, what would you want to do? Why?

- How many of your friends are Christian?
- How does that influence your faith and your actions?
- Do you feel comfortable speaking about your faith around your friends?
- How frequently does God or Christianity come up in every day conversation?
- How might this change as you enter high school?
